To: whom this may concern

I receive my civil case # CV 08 00638 (which) a few weeks ago the reason for this letter is many reasons so I'll go into the most important since I file a civil case Soledad staff have ask me not to mention certain situations I've saw since I been here now understand me I really need to speak with someone A.S.A.P please so if there is someone you can send to speak with me I will highly appreciate it. Since I have no family in my life this place the call a Prison treat you any kind of way once I speak with someone face to face you'll find out why they have no rights in Soledad this place do what they want and don't care what anyone says so please understand these so much I can't say in this letter.

I file this civil case because even though I'm in Prison I have rights but also there are so much I need to speak to someone about it's serious please take into consideration this has to be speak about quickly as possible I think you know how Prison works once they know you want to open doors that should remain close they treat you bad as ever I've saw it many times Hopefully you get this letter so soon as you get time send somebody to talk to me or write me so I'll know this has got to your office.

P.S.

Let's do something right we are human beings no matter what.

Sincerely,  
Mr. Godfrey
